Présentation

Préambule : si, pour tenir compte de la situation sanitaire, des restrictions ou des contraintes sont imposées à l'Université Paris Nanterre ou à l'UFR SEGMI, tout ou partie des épreuves, contrôles de connaissances et examens terminaux de la session 1 et de la session 2, ainsi que des sessions de rattrapages, pourront se dérouler en mode distancié.

Ce cours est un séminaire de recherche qui vise à la rédaction des mémoires majeurs et mineurs.

Objectifs

L'objectif du cours est la rédaction d'un mémoire majeur ou mineur. Il s'agit de réaliser un travail empirique ou théorique de nature originale pour un mémoire majeur, et une revue de la littérature ou une réplique d'un papier déjà publié pour un mémoire mineur.

Évaluation

Evaluation sur dossier et oral.

Prise en compte de la situation sanitaire : se référer à la disposition générale figurant en préambule des fiches de cours du présent document.

Compétences visées

Les étudiants doivent travailler sur un sujet approfondi avec un esprit critique et ouvert à de nouvelles solutions. Ils doivent être à même de synthétiser un grand nombre de papiers, collecter des données de sources différentes et être en mesure de conduire une analyse empirique en utilisant des logiciels d'économétrie usuels comme Eviews, STATA, R ou SAS.

Examens

Evaluation sur dossier et oral.

Prise en compte de la situation sanitaire : se référer à la disposition générale figurant en préambule des fiches de cours du présent document.
